TECHNICAL PAPER INDEX

TOPIC SESSIONS

Tuesday, May 24, 1994

T11 QUALITY COMPLIANCE

Legally Speaking About Customer–Supplier Relationships 1
Ned Ardagna, Customized Training Specialist, Southwestern College, Chula Vista, CA
LCS: 351:10:881

The Japanese Industrial Standards System: An American's Viewpoint 6
Mark E. Foster, Attorney/Consultant, Mark Foster Law Offices, Portland, OR
LCS: 020:70:000

Formal Models of Quality and ISO 9000 Compliance 17
Henry M. Kim and Mark S. Fox, Department of Industrial Engineering, University of Toronto, Toronto, Ontario, Canada
LCS: 640:90:000

T12 CONTROL CHART APPLICATIONS IN THE REAL WORLD

Dynamic Graphics Improve Multivariate SPC 25
James A. Alloway, President, E.M.S.Q. Associates, Jamesville, New York
LCS: 552:70:000

Modeling Discrete Data in SPC: The g and h Charts 32
James C. Benneyan, Senior Systems and Quality Engineer, Harvard Community Health Plan, Brookline, MA
Frank C. Kaminsky, Principal, Productivity Sciences Incorporated, Greenfield, MA
LCS: 112:70:000

Application of EWMA to Automotive Onboard Diagnostics 43
John F. Van Gilder, Senior Reliability Engineer, General Motors Powertrain Control Center, Milford, MI
LCS: 111:60:437

T13 CUSTOMER EXPECTATIONS AS A MEASUREMENT OF QUALITY

A Study on Quality Dimensions of Asian Telecommunication Satellite Transponder Leasing Industry 52
Kwai-Sang Chin, University Lecturer, City Polytechnic of Hong Kong, Hong Kong
Sunny K K Pang, Former Senior Engineer, Asia Satellite Telecommunication Co., Ltd., Hong Kong
LCS: 230:70:548

A New Paradigm for the Internal Audit 61
Lynda J. Hunn, Director, Supplier Quality, Fisons Pharmaceuticals, Rochester, NY
LCS: 345:70:439

The Quality Information Network 66
Sandra T. Ingram, Quality Assurance Engineer, Zebra Technologies Corporation, Vernon Hills, IL
LCS: 310:70:436

Minimizing the Cost of Quality Over Time: A Dynamic Quality Cost Model 73
Gary S. Wasserman, Wayne State University, Detroit, MI
John L. Lindland, Management Resources International, Saline, MI
LCS: 350:10:400

T14 QUALITY OF RESEARCH

Measuring the Quality of Research and Development 82
Frank Bensley, Consultant, Bensley Consulting, Westfield, IL
LCS: 660:70:439

The Quality Council in the Scientific Arena 87
Stephen L. Bolivar, Quality Assurance Manager, Los Alamos National Laboratory, Los Alamos, NM
John L. Day, Quality Assurance Services Manager, and Paul F. Gillespie, Senior QA Engineer, Los Alamos Technical Associates Inc., Los Alamos, NM
LCS: 300:70:991

A Customer Oriented QA System in R&D Activities 93
Javier Ruiz, Head of Quality Assurance, and Jose M. Villate, Program Manager, Quality Dept., LABEIN Technological Research Centre
LCS: 310:70:099

Wednesday, May 25, 1994

T21 QUALITY INITIATIVES IN THE PUBLIC SECTOR

Employee Involvement in the Public Sector *103*
Perry C. Caranicas, President, INTER/QUALITY Corporation, Minneapolis, MN
LCS: 310:10:993

Change and Constraint: New Government Realities *109*
Isobel K. Garvie, Service Quality Coordinator, and John D. Cumberford, Assistant Deputy Minister, Government of Manitoba, Winnipeg, Manitoba, Canada
LCS: 310:10:992

Retraining for Tomorrow's Challenges in an International Environment *118*
William O. Winchell, Associate Professor, Ferris State University, Big Rapids, MI
LCS: 320:70:882

T22 PERFORMANCE FEEDBACK = A FOUNDATION FOR TQM

Performance Appraisal and Total Quality Management *126*
George P. Eckes, Principal Consultant, E&A Inc., Louisville, CO
LCS: 670:10:000

The Psychology of Quality *134*
Daniel K. Judd, Assistant Professor, Brigham Young University, Provo, UT
LCS: 670:70:000

Performance Reviews Can Be a Part of Quality Leadership *140*
Robert G. Pajer, Principal, New Quality Performance Systems, Chevy Chase, MD
LCS: 670:10:991

T23 DESIGNING THE FUTURE ORGANIZATION

Core Competencies & Organizational Reengineering *146*
Jeffrey N. Lowenthal, Senior Vice President/Managing Director, Performance Solutions International, Ltd., West Bloomfield, MI
LCS: 600:10:000

Re-Engineering the Manager's Role 155
David W. Mann, Workplace Envisioning Group Manager, Steelcase, Inc., Grand Rapids, MI
LCS: 670:10:000

T24 SERVICE QUALITY—ACCOUNTING AND RELIABILITY

Bringing Financial Discipline to Service Quality 160
Bruce S. Fanjoy, Senior Product Manager, Payroll Services, Comcheq Services Limited, Winnipeg, Manitoba, Canada
LCS: 350:10:873

Improving Productivity of the Accounting Function 167
Steve Coburn, Director of Finance, US WEST, Englewood, CO
Hugh Grove, Professor, and Cindi Fukami, Associate Professor, University of Denver, Denver, CO
LCS: 630:30:548

Service Systems Reliability Engineering 174
Thomas Pyzdek, President, Quality Publishing, Inc., Tuscon, AZ
LCS: 832:90:800

Wednesday, May 25, 1994

W11 CASE STUDIES FOR IMPROVED HEALTH CARE DELIVERY

CQI Management of Hospital Complaints 183
Tom Wood, Associate Professor of Medicine, University of Western Ontario, London, Ontario, Canada
Phyllis Brady, CQI Coordinator, St. Joseph's Health Centre, London, Ontario, Canada
LCS: 350:70:880

Banding to a New Paradigm 188
Joanne Burke, Consultant, Chi Systems, Inc., Ann Arbor, MI
Earnestine Hatcher, Assistant Administrative Director, Laboratory Services, Oakwood Hospital, Dearborn, MI
LCS: 300:60:880

Medication Compliance: An Ounce of Prevention 196
Petra Shane, Administrative Director, Medical Center of South Arkansas, El Dorado, AR
LCS: 310:50:880

Lowering Health Care Costs by Improving Health Care Quality 202
M. Daniel Sloan, President, Quality Health Systems of America, Inc., Seattle, WA
LCS: 300:10:310

W12 CASE STUDIES IN CONTINUOUS IMPROVEMENT

Continuous Improvement Through Defect Management 210
Evan J. Miller, President, Hertzler Systems Inc., Goshen, IN
Charles Casavant, Manufacturing Engineer, Circo Craft, Granby, Quebec, Canada
LCS: 310:20:436

Surviving CI in the Harmattan Team 218
David L. North, Team Lead, Harmattan Producing Team, Mobil Oil Canada, Olds, Alberta, Canada
Phil A. Nobert, Project Manager, Rydberg Levy Group Inc., Calgary, Alberta, Canada
LCS: 310:20:213

W13 LEADERS AND LEADERSHIP—CHANGE, TYPE, AND VISION

The Human Dynamics of Total Quality 225
Robin E. McDermott, Director of Training, Resource Engineering, Inc., Tolland, CT
LCS: 670:80:000

Leadership Lessons from the Military 234
James G. Patterson, President, The Cogent Communicator, Tuscon, AZ
LCS: 300:10:000

Facilitating Organizational Change: Leadership in a Total Quality Environment 242
Mark S. Samuel, President, IMPAQ Accountability-Based Improvement Systems, Orange, CA
LCS: 320:10:000

BACKUP:

The System of Profound Knowledge: A Profile for Managerial Leadership for the New Economic Age 249
Lisa D. McNary, Professor, Otterbein College, Senior Consultant, DISC Consulting, Ltd., Grove City, OH
LCS: 330:10:000

W14 QUALITY ON CAMPUS: TRANSFORMING HIGHER EDUCATION

Applying QFD to Course Design in Higher Education 257
Paul Burgar, Assistant Professor of Management, Georgia College, Milledgeville, GA
LCS: 660:70:882

Using Student Feedback to Increase Learning and Improve Teaching 264
Carole Congram, Associate Professor, Bentley College, Waltham, MA
LCS: 310:00:882

Quality Management in Opera Education 271
Samuel C. Welch, Adjunct Faculty Member, Xavier University, Cincinnati, OH
LCS: 020:10:882

W21 MAKING EDUCATION BETTER—EVALUATING OUTCOMES

Using Quality Principles to Improve School Image 286
Barbara A. Cleary, English teacher, The Miami Valley School, Dayton, OH
Sally M. Duncan, Quality Consultant, PQ Systems, Inc., Dayton, OH
LCS: 323:50:882

Quality Education in a Middle School 293
William J. Latzko, President, Latzko Associates, North Bergen, NJ
Clara Garrett, Principal, Joan of Arc Middle School, New York, NY
LCS: 320:70:882

Quality Partnerships with K–12 Schools 301
Betty L. McCormick, President, Critical Linkages Consulting, Austin, TX
Franklin P. Schargel, Quality Coordinator and Assistant Principal, George Westinghouse Vocational and Technical High School, Brooklyn, NY
LCS: 670:10:882

A Criteria for Measuring TQM in Higher Education 309
Thomas C. Richards and Ray G. Mehraban, Professors, University of North Texas, Denton, TX
LCS: 310:10:882

W22 HUMAN RESOURCE APPLICATIONS FOR SUCCESS AND IMPROVEMENT

REDS (Respironics Employee Development System) 314
Kenneth J. Kitzke, Founder, Quality Dynamics, Delmont, PA
Dennis S. Meteny, Executive Vice President and Chief Operating Officer, Respironics, Inc., Murrysville, PA
LCS: 680:10:000

Control and Risk Self-Assessment: Reconciling Empowerment and Control 322
Tim J. Leech, Managing Partner, MCS Control Training & Design, Mississauga, Ontario, Canada
LCS: 300:70:000

Why Teams Poop Out 330
John L. Niles, Vice President, and Norbert J. Salz, Senior Consultant, Rath & Strong, Inc., Lexington, MA
LCS: 320:10:000

W23 CREATING A LEARNING ENVIRONMENT

Using Discovery to Teach Quality Technology 337
Michael Johnson, President, Plan-Test Associates, Phoenix, AZ
Ardis Ellibee, Technical Service Department, America West Airlines, Phoenix, AZ
LCS: 500:70:000

Improving Quality Through Education and Training 343
Clifford L. Norman, Consultant, Associates in Process Improvement, Austin, TX
LCS: 680:00:000

Effective Process Improvement Training 353
Thomas M. Piper, Quality Management Coordinator, Chevron Chemical Company, Houston, TX
LCS: 323:90:428

W24 DESIGN OF EXPERIMENTS—COMPARISONS AND APPLICATIONS

A Gage Capability Monitor for Final Test 360
G. Rex Bryce, Professor, Brigham Young University, Provo, UT
Marianne Matis Mohr, College Station, TX
LCS: 710:60:400

Applying Variance Decomposition to a Pin Insertion Process 369
Yuan Guo, Engineering Consultant, Jack R. Gerson, Senior Quality Engineer, and Steve T. Beck, Manufacturing Engineer, EMD Associates, Inc., Winona, MN
LCS: 500:70:439

The Effects of S/N Ratios on Interpretation of Experiments 379
Matthew P. Stephens, Assistant Professor, Purdue University, West Lafayette, IN
John T. Mouw, Professor, Southern Illinois University, Carbondale, IL
LCS: 523:00:000

W31 HOW TO INCORPORATE TOTAL QUALITY MANAGEMENT TOOLS INTO YOUR CONTINUOUS IMPROVEMENT JOURNEY

The Use of TQM Principles in Process Improvement 384
Douglas H. Green, Vice President of Quality, Keen Compressed Gas Company, Wilmington, DE
LCS: 310:90:000

Using an Accelerated Continuous Improvement Model to Achieve Sustainable Gains 393
George L. Harris, President, Harris Consulting, Lexington, MA
LCS: 310:10:400

W32 CONCURRENT ENGINEERING IN MANUFACTURING

Concurrent Engineering in Manufacture of Press Tools 400
Major Suneel S Bhamburkar, General Manager, Pitti Laminations Ltd., India
LCS: 660:10:435

Eliminating the Barriers at Chrysler Jeep/Truck 407
David N. Cushing, Advance Manufacturing—Jeep/Truck, Chrysler Corporation, Detroit, MI
LCS: 660:60:437

Project Management 413
Janet D. Fiero, Engineering Management Consultant, IEE Consulting, Inc., Scottsdale, AZ
LCS: 600:60:400

Sequential Application of Advanced Quality Tools 423
Dale E. Parvey, Principal Quality Engineer, Honeywell Inc., Phoenix, AZ
LCS: 660:70:400

W33 IMPROVING AND CONTROLLING PROCESSES

Quality Controllers for Automated Systems 430
William J. Kolarik, Professor, and Ratna Babu Chinnam, Doctoral Student, Texas Tech University, Lubbock, TX
LCS: 100:70:400

Machine Monitoring for Quality Assurance 439
Muralidhar K. Shenoy, Student, Oklahoma State University, Stillwater, OK
LCS: 720:70:426

Process Re-Engineering at AMETEK—A Case Study 446
Hay Wun Wain, Director of Total Quality Management, AMETEK, Inc., Pittsburgh, PA
LCS: 310:90:433

Management of Variation for a Large Steel Company 451
Maurice Pereira, Senior Analyst, SPC Systems, ISCOR, South Africa
Andries G de Wet, Professor of Statistics and Operations Research, Potchefstroom University, South Africa
LCS: 310:90:433

W34 TEAMWORK-BOUNDARIES = SUCCESSFUL PARTNERSHIPS

Process Improvement Utilizing a Joint Supplier/Customer Problem-Solving Team 458
Roger G. Carpenter, Project Manager, Tennessee Valley Authority, Cleveland, TN
LCS: 342:50:549

Graphical Supplier Performance and Cost of Quality 464
Keith A. Guggenberger, Director of Quality, Starkey Laboratories Inc., Eden Prairie, MN
LCS: 351:70:439

Partnering in Practice 471
G. Peter Hillman, Director, Total Quality Management International, Cheshire, England
LCS: 680:10:000

W35 THE ISHIKAWA LEGACY

The Ishikawa Legacy 479
Robert Cole, University of California–Berkeley, Berkeley, CA

Quality Control for Suppliers and Purchasers 481
Teruaki Watanabe, Managing Director of Manufacturing, Pentel Co., Ltd., Saitama, Japan
LCS: 351:40:439

W41 QUALITY IN GOVERNMENT SERVICE

Quality Government Service—A Story of Success 485
Daniel J. Fontaine, Electrical Engineer, Federal Communications Commission, Washington, D.C.
Diane B. Robinette, Vice President, Take Charge Consultants, Downingtown, PA
LCS: 030:50:991

Improving System Performance in a Fighter Squadron 491
Alex Harel, Managing Director, Optomedic Medical Technologies Ltd., Israel
Boaz Ronen, Associate Professor, Tel-Aviv University, Israel
Micky Lev, Focused Management Ltd., Israel
LCS: 600:10:994

W42 WORK PROCESS MASTERY: VITAL TO BENCHMARKING SUCCESS

Work Process Mastery: Vital to Successful Benchmarking 498
Kersi F. Munshi, Counselor in Quality, Munshi & Associates, Miami, FL
Dan S. McIntyre, Organizational Effectiveness Specialist, Xerox Corporation, Coral Gables, FL
LCS: 000:00:000

W43 RELIABILITY TOOLS WILL IMPROVE YOUR BOTTOM LINE

Improving the Product Development Process 507
James A. McLinn, President, Rel-Tech, Loretto, MN
LCS: 800:10:400

Managing Warranty Policies 517
Daniel J. O'Leary, Product Quality Manager, Picker International, Inc., Cleveland, OH
LCS: 800:70:400

W44 POLICY DEPLOYMENT—Rethinking the Boundaries

Managing for Results—The Xerox Approach to Policy Deployment 522
Gregory H. Watson, Vice President of Product Development, Xerox Quality Solutions, Rochester, NY
LCS: 310:90:000

Enhancing Performance using Policy Deployment 532
Honsung G. Yong, Virginia Polytechnic Institute and State University, Blacksburg, VA
LCS: 020:10:000

Thursday, May 26, 1994

R11 QUALITY SYSTEM DYNAMICS

ISO 9000 Implementation in a Team-Based, Total Quality Environment 539
Gordon K. Constable, Professor, Wright State University, Dayton, OH
Lawrence J. Navarre, Quality Manager, Cincinnati Milacron, Inc., Batavia, OH
LCS: 020:20:435

Quality System Deployment—Managing Implementation of Continuous Quality Improvement 548
John R. Lipscomb, President, John R. Lipscomb & Associates, White Lake, MI
LCS: 310:10:000

Cultural Differences: Why Japanese Quality Practices Don't Work in Western Firms 558
Philip L. McIndoo, Member of the Technical Staff, The MITRE Corporation, Eatontown, NJ
LCS: 310:10:889

The Journey to World Class 565
R. Timothy Stein, Director, Development and Training, The Quality Improvement Company, Cupertino, CA
LCS: 020:10:000

R12 STATISTICAL METHODS IN QUALITY: BEYOND THE BASICS

Missing Data—What Do We Do Now? 571
Barbara J. Bulmahn and Chand K. Chauhan, Associate Professors of Mathematics, Indiana University-Purdue University Fort Wayne, Fort Wayne, TX
LCS: 523:70:400

Average Run Lengths for a Cpm Control Chart 577
Norma Hubele, Associate Professor, and Lora Zimmer, Graduate Researcher, Arizona State University, Tempe, AZ
LCS: 123:70:439

The Ratio Control Chart and Pattern Recognition 583
Nazario D. Ramírez-Beltrán, Associate Professor, and Felipe Llaugel, Graduate Student, University of Puerto Rico, Mayaguez, Puerto Rico
LCS: 720:70:428

Acceptance Sampling in the 90's 591
Wayne A. Taylor, Director Quality Technologies, Baxter Healthcare Corporation, Round Lake, IL
LCS: 220:70:000

R13 INCORPORATING QUALITY IN STRATEGIC PLANNING

Put "Quality" in your Business Plan 599
Ronald G. Day, President, Total Quality Management Inc., Harrison Township, MI
LCS: 300:90:000

Prioritization Matrices: Indecision into Action 609
Jill Phelps Kern, Principal Quality Engineer, Digital Equipment Corporation, Hudson, MA
LCS: 600:10:000

The Strategic Quality Grid: Defining a Better Role for Senior Managers in TQM 616
Vito Maiorano, Continuous Improvement Leader, Baxter Healthcare Corporation, Round Lake, IL
LCS: 310:10:000

Reengineering Quality—Deming Style 624
Richard E. Winder, Finance Manager, Michigan State Bar Foundation, Lansing, MI
LCS: 020:10:000

R14 ISO 9000, THE BUILDING BLOCKS AND IMPLEMENTATION

Accelerating the ISO Process Using Groupware and Teams 635
Philip J. Cirulli and Byron James, Quality Consultants, IBM Corporation, Endicott, NY
Gregory D. Walker, Quality Assurance Manager, U.S. Assemblies South, Inc., Raleigh, NC
LCS: 310:70:882

ISO 9000 Standards: The Building Blocks for TQM 642
Robert J. Majerczyk, Member of Technical Staff, AT&T Network Systems Group, Naperville, IL
Dominick A. DeRosa, Quality Manager, AT&T Network Systems Group, Newark, NJ
LCS: 300:70:000

ISO 9000 Implementation: The Human Side 651
David S. Huyink, Quality Systems Director, Network Systems Corporation, Minneapolis, MN
LCS: 310:10:000

R21 A QUALITY WORK FORCE: OVERCOMING RESISTANCE TO TQM

Mastering the New Role of Team Leadership 659
Linda Moran, Executive Work Team Consultant, Achieve International, San Jose, CA
Kathleen Hurson, Vice President—Research and Product Development, Zenger-Miller, Inc., San Jose, CA
LCS: 300:10:000, 300:10:889

TQM, Lies, and Videotapes: A Video Report from the Firing Line 667
Abdelmagid M. Mazen, Associate Professor, Suffolk University School of Management, Boston, MA
LCS: 670:10:400

Anticipating and Overcoming Resistance to TQM 673
K. Koré Pickard, Manufacturing Supervisor, Intel Corporation, Rio Rancho, NM
Donald S. Ermer, Professor of Mechanical and Industrial Engineering, University of Wisconsin–Madison, Madison, WI
LCS: 310:10:000

R22 ENGINEERING APPLICATIONS TOWARDS PROCESS IMPROVEMENT

Managing Work Flow to Decrease Cycle Time 683
Roman J. Barlog, Senior Engineer, Amoco Oil Company, Whiting, IN
Dana K. Ginn, Management Consultant, Fuller Associates, Naperville, IL
LCS: 610:10:429

Variation Reduction Strategy for Process Engineers 692
Robert G. Batson, Professor of Industrial Engineering, The University of Alabama, Tuscaloosa, AL
LCS: 120:70:400

Predicting High Mileage Reliability 699
Mark S. Horvath and James M. Wasiloff, Reliability Engineers, Ford Motor Company, Dearborn, MI
LCS: 850:70:437

R23 FRONTIERS IN HEALTH CARE QUALITY

New Frontiers in Health Care Quality 705
Edward Deevy, Managing Partner, Deevy Gilligan International, North Andover, MA
LCS: 310:90:880

Extending the Boundaries of Quality in Primary Care 710
Marianne Murdock, Director, Systems and Quality Engineering, University of Virginia Health Sciences Center, Charlottesville, VA
LCS: 020:70:880

R24 KEY ELEMENTS TO SUCCESSFUL QUALITY IMPROVEMENT

Building Leadership Foundation for Improvement 718
Ted C. Cocheu, President, Performance Technologies, Los Gatos, CA
LCS: 310:10:436

Never Draw to an Inside Straight 725
Bob Haigh, Head of Research Policy and Staffing, and Dave Morris, Head of Ph.D. Programme, Sheffield Business School, UK
LCS: 310:10:000

Can TQM be Derailed by an Enemy from Within? 731
Nancy S. Perkins, President, Meta4 for Learning Corporation, Nashville, TN
LCS: 320:80:882

TECHNICAL PAPER INDEX

DIVISION/TECHNICAL COMMITTEE SPONSORED SESSIONS

Tuesday, May 24, 1994

T16 A SYSTEM AND FACT-BASED APPROACH TO SERVICE INDUSTRY MANAGEMENT
Service Industries Division

SPC Applications in the Service Industries 739
Hollis R. Lipscomb, Managing Partner, and John R. Lipscomb, President, John R. Lipscomb & Associates, White Lake, MI
LCS: 100:01:800

Listening to Customers at Work/Family Directions 749
Amy L. Richman, Director, Quality Measurement, Alan LaRue, Director, Quality Management, and Deandrea J. MacKinnon, Quality Analyst, Work/Family Directions, Inc., Boston, MA
LCS: 230:90:873

The Application of Statistical Thinking and Systems Theory to Management 755
Gary M. Vansuch, Manager, Quality Initiative Development, U.S. Tennessee Valley Authority, Knoxville, TN
LCS: 020:10:991

T17 CREATING THE BEST PLACE TO WORK
Human Resource Division

Creating the Best Place to Work 761
Dave Nelson, Vice President of Purchasing, Honda of America Mfg., Inc., Marysville, OH
LCS: 680:90:437

T18 THE PRACTICAL SIDE OF SOFTWARE QUALITY
Software Division

ISO Implementation as a Managed Process 767
W. J. Deibler and Robert C. Bamford, Principals, Software Systems Quality Consulting, San Jose, CA
LCS: 020:70:000

Cookbooks, Snake Oil and Silver Bullets 773
Robert K. Smith, Engineering Specialist, EG&G Idaho, Inc., Idaho Falls, ID
LCS: 310:10:000

Software Quality Management From the Outside In 778
David A. Waite, ILX Systems Inc., New York, NY
LCS: 310:70:000

Software Quality Function Deployment 783
Richard E. Zultner, Zultner & Company, Princeton, NJ
LCS: 310:70:000

T25 IMPLEMENTING QUALITY MANAGEMENT IN RESEARCH ENVIRONMENTS
Energy and Environmental Quality Division

Defining Metrics for Evaluating and Improving Basic Experimental Science 794
Mark Bodnarczuk, Senior Quality Assurance Engineer, National Renewable Energy Laboratory, Golden, CO
LCS: 310:00:099

ANSI/ASQC E4: A Quality System Standard for Environmental Data Collection and Technology 803
Gary L. Johnson, Senior Manager, Quality Assurance, United States Environmental Protection Agency, Research Triangle Park, NC
LCS: 020:10:099

T26 AN ADVISORY ON INSPECTION
Inspection Division

The Importance of Sampling in Inspection 809
Edward G. Schilling, Director, Rochester Institute of Technology, Rochester, NY
LCS: 760:70:000

Wednesday, May 25, 1994

W16 INTERNATIONAL QUALITY MANAGEMENT
International Chapter

Quality Execution Strategies for World-Class Status 813
Hans J. Bajaria, President, Multiface, Inc., Garden City, MI
LCS: 630:10:000

Personal Quality: Summary and Update 821
Harry V. Roberts, Professor Emeritus, University of Chicago, Chicago, IL
Bernard F. Sergesketter, Vice President, Central Region, AT&T, Chicago, IL
LCS: 000:70:000

W17 PRODUCT LIABILITY
Product Safety and Liability Prevention Technical Committee

Recall Planning 826
August B. Mundel, Consulting Engineer, White Plains, NY
Richard M. Jacobs, Consulting Engineer, Consultant Services Institute, Inc., Livingston, NJ
LCS: 354:10:000

W26 DIFFERENT APPROACHES TO CUSTOMER SATISFACTION
Electronics Division

ISO 9000/Quality Engineering/Procurement 834
George C. Belev, Consultant, Management Services Associates, Scotia, NY
LCS: 650:40:439

Customer-Focused Development with QFD 839
Kenneth Crow, President, DRM Associates, Palos Verdes, CA
LCS: 600:60:400

The Employee Factor in Delivering Differentiated Services 845
Christina Sanes, Department Manager, AT&T Bell Laboratories, Whippany, NJ
LCS: 680:50:439

W27 SUPER-EFFICIENT DESIGNS
Chemical & Process Industries Division

Super-Efficient Designs: How to Run Your Experiment for Higher Efficiency and Lower Cost 853
Frank T. Anbari, Project Manager, Amtrak, Professor, Drexel University, Philadelphia, PA
James M. Lucas, President, J.M. Lucas & Associates, Wilmington, DE
LCS: 520:70:400

W28 AN UPDATE ON INTERNATIONAL AND NATIONAL QUALITY STANDARDS
Standards Committee

Planning the Journey from ISO 9000 to TQM 864
Robert W. Peach, Principal, Robert Peach and Associates, Cary, NC
LCS: 300:10:000

Revision of the ISO 9000 Standards 873
Joseph J. Tsiakals, Vice President, Quality Management, Baxter International, Deerfield, IL
LCS: 300:10:000

Standards for Tools and Techniques 882
Harrison M. Wadsworth, Consultant, Georgia Institute of Technology, Atlanta, GA
LCS: 310:70:000

W36 PRACTICAL DEVELOPMENTS IN RELIABILITY
Reliability Division

Reliability Assessment of Mechanical Joints 888
Ashweni Sahni, Director, Quality Systems, Pharmacia Deltec Inc., St. Paul, MN
John S. Kim, Director, Corporate Statistical Resources, Medtronic, Inc., Minneapolis, MN
LCS: 824:70:439

Some Recent Practical Developments in System-Reliability, Failure-Rate, Time-To-Failure and Fault-Tree Analysis Using the Disjoint-Products Methodology 893
Mitchell O. Locks, LG Associates, Beverly Hills, CA
LCS: 840:70:099

Reliability Testing—The Way It Should Be 901
Dev G. Raheja, President, Technology Management, Inc., Laurel, MD
LCS: 823:70:436

W37 EDUCATION IN A WORLD WITHOUT BOUNDARIES
Education Division

Quality Savings: Reducing the Cost of Poor Quality 904
Wendy M. Cullar, Program Director, Florida State University, Tallahassee, FL
LCS: 353:00:882

Education in the Network Age 910
Owen F. Gaede, Professor, Florida State University, Tallahassee, FL
LCS: 000:00:882

W38 METROLOGY: I WISH TO KNOW MORE ABOUT...
Measurement Quality Division

Calibration Laboratory Accreditation and Registration 918
John W. Locke, President, American Association for Laboratory Accreditation, Gaithersburg, MD
LCS: 710:70:886

W45 MANAGERS' AUDIT SYSTEM
Biomedical Division

Managers Just Do It 920
Barrett C. Craner, Director, QA/QC, Advanced Cardiovascular Systems, Inc., Santa Clara, CA
LCS: 345:10:438

W46 QUALITY INFORMATION FOR QUALITY DECISIONS
Computer Information Systems Technical Committee

Runaway Systems 929
Neil Liveakos, KPMG The Alliance Group, Norcross, GA
LCS: 640:90:000

W47 THE HIGH COST OF NOT PLAYING
Textile & Needle Trades Division

The High Costs of Not Playing in the Quality Game 934
James H. Ryan, President, JRA, St. Paul, MN
Wanda A. Sieben, President, Wanda Sieben Associates, Minneapolis, MN
LCS: 400:70:423

W48 EMERGING TRENDS IN QUALITY MANAGEMENT FOR CONSTRUCTION
Architectural/Engineering & Construction Division

The Success of a Major Project Through Focusing on the Customer 938
Steven W. Wallbank, TQ Manager, Stone & Webster, Incorporated, New York, NY
LCS: 020:70:429

Thursday, May 26, 1994

R17 QUALITY COST APPLIED TO BUSINESS AND NON-BUSINESS REQUIREMENTS
Quality Cost Committee

Using Cost of Quality in a University Environment 944
G. Dennis Beecroft, Managing Director, University of Waterloo, Waterloo, Ontario, Canada
LCS: 353:90:882

Using Quality Costs to Drive Process Re-Engineering 949
Jim Robison, Vice Chairman, ASQC Quality Cost Committee, Ormond Beach, FL
Rick Harrington, President, The Harrington Group, Orlando, FL
LCS: 353:30:889

R18 EFFECTIVE IMPROVEMENT STRATEGIES: FOCUSING YOUR QUALITY EFFORTS
Automotive Division

Quality Behind the Scene 955
Hans J. Bajaria, President, Multiface, Inc., Garden City, MI
LCS: 310:10:437

R27 SUPPLIER TEACHES CUSTOMER, OR A LESSON IN LEARNING
Customer-Supplier Division

Supplier Teaches Customer, or a Lesson in Learning 965
John O. Brown, Senior Consultant, Quality Alert Institute, Inc., Columbus, IN
LCS: 300:40:000
